BAKING
POWDERAbsolutely Pure
THERE IS NO SUBSTITUTE

Mrs. Ellen D. Wood was much improved last evening.

Little Sammie Hughart is very sick with fevers at the home of his parents in Limestone street.

Bennie, little son of Mr. and Mrs. Roy Pearce, is very sick with stomach trouble at their home in Newport.

Mr. and Mrs. George Dunbar and children have returned home after spending Sunday with Mrs. Dunbar's mother in honor of her 71st birthday.

The Court of Appeals overruled the petition for rehearing the suit of the C. and O. Railway Company vs. Topping, from Lawrence county.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gum, etc., which have been so highly indorsed for the cure of coughs, colds, and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25c; regular size, containing nearly four times as much, 75c. At Henry W. Ray's Drugstore.

News

Gage 42.4 and falling.

The high water is causing alarm to lowland residents.

Up stream packets are now having all the freight they can handle.

The Keystone State will leave Cincinnati tomorrow night for Pittsburgh.

The Bonanza, on her way up from Memphis, has a big crowd of gypsies on board going to Cincinnati.

The high water has prevented the Virginia being placed on the Marine Ways in Cincinnati for repairs.

The initial trip of the Ben Hur, the new boat of the Pittsburgh, Parkersburg and Cincinnati Line, was very much a success. Captain Harry Donnelly is in charge.

For the third time within two months the Monongahela and Allegheny rivers have flooded the country along their banks, doing much damage to railroads and bridges.

Limestone Creek is showing up to advantage now. The back water is on its annual March visit in that territory, but is not expected to reach the stage when passenger traffic will have to be suspended.

The Ironsides, Pacific and Tom Rees, belonging to the River Coal Company, with 12 boats and 5 barges each, the G. W. Thomas, belonging to the Jutte Coal Company, with 7 boats and 7 barges, have been started from Pittsburgh.

The Name Witch Hazel.

The name Witch Hazel is much abused. E. C. DeWitt & Co., Chicago, are the inventors of the original and only genuine Witch Hazel Salve, a certain cure for Cuts, Burns, Bruises, Eczema, Tetter, Piles, etc. There are many counterfeits of this salve, some of which are dangerous, while they are all worthless. In buying Witch Hazel Salve see that the name E. C. DeWitt & Co., Chicago, is on the box and a cure is certain. Sold by J. Jas. Wood & Son, Druggists.

MRS. PAUL BURNS, Parshallville, Mich. Ods, flooding, leucorrhea, kidney, bladder and liver troubles, makes childbirth easy and regulates the change of life. For the critical period of transition from maidenhood to womanhood it is a matchless remedy. All women unite in praising it and all who have used it rejoice in perfect health.

Mrs. Paul Burns, Parshallville, Mich., writes: "I want all my friends to know the great good Zoa Phora has done for me. I suffered for months with nervous prostration, sick headache and kidney and bladder trouble. After holding consultation, four doctors said I could not live without an operation, and I was too weak to have one. Bunches formed in my bowels and I became so sore that I lost the use of my limbs. The doctor called the bunches tumors. He said that I also had a floating kidney, and would not be any better until I had it sewed in place. After using one bottle of Zoa Phora, I could stand on my feet, and after taking three bottles I could walk around the room, and after the fourth bottle I was able to walk out-of-doors."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Fenger's Advice to Women." The doctor will gladly give free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

way, Cincinnati, was Monday torn loose by the rising water and began to float down the river. Two squares below it struck the steamer Cincinnati lying at the landing without steam, but with a number of passengers aboard. The great weight of the wharfbat parted the lines of the Cincinnati, which started down the river. At the pier of the suspension bridge, a square or two further down, the Cincinnati stuck, while the wrecked wharfbat was carried on down the river. The harbor boat Hercules Carrel was quickly sent to the rescue of the Cincinnati and towed her back to her landing. Her injuries were found to be slight.

NOTICE.

Now is the time to take stock in the Thirtieth Series Limestone Building Association.

Mr. Mose Daulton continues to improve.

City Attorney Thomas M. Wood is again acting.

In a jury trial before Squire Grant yesterday Hechinger & Co. received a judgment against the Adams Express Company for \$49.50, the value of three overcoats lost in transit.

The funeral of Mr. John Delaney, whose sudden death was mentioned in yesterday's LEDGER, will not likely occur before Thursday, and it is probable the interment will be at Palmouth, the old home of the deceased.

Dr. A. N. Ellis sustained a loss the other day during the high wind by having one of his barns on his farm on the Ohio side unroofed. The Doctor is generally on the right side, however; he had it fully insured.

HERE AT HOME

Maysville Citizens Gladly Testify

It is testimony like the following that has placed "The Old Quaker Remedy" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Maysville citizen:

Mr. Elias Scudder, nurseryman, residing at 215 Caste street, says:

I had a good deal of pain at times in my right kidney and it constantly grew more persistent. When I learned of Doan's Kidney Pills I could hardly sit down on a chair or rise without placing my hands to my back, and should I thoughtlessly bend over it pained me severely to straighten. I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use effected an absolute cure."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

The
Effective Remedy

WASHINGTON, IOWA, April 4, 1903.

I was troubled for over a year with so scanty a flow that it was virtually suppression. A heavy cold superinduced this condition and nothing I could do seemed to help me. The only effective remedy I ever found was Wine of Cardui. Within two weeks I felt the good effects of the medicine and after I had used 13 bottles in all I was as healthy and regular as any woman could wish to be.

My sister used it while expecting to become a mother and found that it made childbirth comparatively easy and after the child was born she found that it helped her to regain her strength.

WINE OF CARDUI

Wine of Cardui cures nine out of every ten cases of the disorders of menstruation. These cures are permanent, whether the trouble is complicated or not.

Wine of Cardui cures the sickness of young girls, relieves the weakness of adults, banishes leucorrhoea, headaches, backaches and nervousness and eases the crisis attendant on the change of life.

Thousands of mothers besides Miss Root's sister have found grateful relief from the pains of childbirth and have had a quick and happy recovery from its use. You cannot afford to suffer when \$1.00 bottles are sold by all druggists.

Prettiest gingham in the city; ask your neighbor about it. One lady said yesterday: "This is the only place I can find seam braid that pleases me." The same can be said about many kinds of my goods. I am just as careful in selecting a 5c calico as in selecting a \$2 yd. dress.

Time to think about what you are going to have new at Easter. This store is filled to overflowing with new and pretty goods. Come and see them. I am selling muslins less than they can be bought by the case at wholesale; sold only in limited quantities. Give me a call.

To use an eighteenth century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

When it comes to showing down hands the river is in it to some extent as a traffic carrier, as will be seen by the amount of freight taken on here last night by the Queen City, for intermediate points between this city and Pittsburgh. It consisted of 16 tons of baled straw, 126 cases of eggs, 200 sacks of wheat and 5 barrels of whisky, besides receiving several passengers.

Mr. Wheeler Rasp is an expert and an artist when it comes to upholstering. He is evidently looking forward to some important event in which he is likely to take an interesting part as the handwork of his skill is a useful house furnishing piece. THE LEDGER is under renewed obligations to Senator William H. Cox for favors granted.

Mr. Robert Cochran of Georgetown, O., ex-Representative for four years in the Ohio Legislature, is in the city today looking up records at the County Clerk's office.

Yesterday in the great sensational trial of Mrs. Oppenheimer, now in the Courts at Cincinnati, John Burgess, the only colored Juror in the case, was excused and permitted to come to this city on receipt of a telegram stating that his sister was dying.

There is nothing more dear to an Irish heart than the shamrock. To a son of the green little isle it is as sacred as mother's Bible. The season is approaching—the 17th of March—when a sprig of green will adorn the lapel of the coat worn by every true Hibernian. How fortunate then is he who can possess himself of a sprig right from the old sod. THE LEDGER was presented with a twig that came direct from the neighborhood of Dublin, and is as green and fresh as when plucked from the mother stem two weeks ago.

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."
